MACKAY & DISTRICT 4WD CLUB Inc. ASSOCIATION BY-LAWS (05-05-04)

ACTIVITIES

- 1) (a) The Trip Leader should remind all drivers before moving off, that convoy procedure should be followed. Participants on trips will obey the Trip Leader's instructions at all times regarding speed, position in convoy, convoy procedure and route to be taken on or off roads and tracks. The Trip Leader's instructions will not be deviated from except in the case of discussion by all members on the trip and a majority vote on the proposed deviation by those members present

Prior to the start of a trip, the Leader must:

- i. Arrange suitable rendezvous during the trip at which all vehicles stop. These are based on either time or distance.
 - ii. Inform the driver of the last vehicle that he/she is the last vehicle in the convoy.

- (b) The lead vehicle will stop at any turn-off or intersection at which doubt may exist as to the correct direction. It will wait for the following vehicle before moving off in the correct direction. Each successive vehicle will then wait for the following vehicle before moving off. By this means, all will follow the lead vehicle and a message can also be sent in both directions along the convoy. At other times it is the responsibility of any preceding vehicle to keep the vehicle following in sight.
 - (c) No vehicle in convoy will pass another vehicle in convoy without the Trip Leader's instructions, unless under exceptional circumstances, whilst the convoy is moving.
 - (d) When travelling in convoy on main roads, the distance between any vehicle should not be less than six (6) vehicle lengths, to assist overtaking traffic.

 - (f) Persons leaving Association convoy or group MUST notify the trip leader and if possible, give details of their intentions.
- 2) No unofficial competitions or displays of "Four wheel driving" shall take place during Association trips without permission of Property Owner and/or Trip Leader. [Refer Clause 1 (a) paragraph 3].

- 11) (a) Bushfire regulations shall be obeyed at all times.
(b) Camp and billy fires must be totally extinguished by water, and/or covered with earth.
- 12) Before breaking camp members will clear the site of all litter and rubbish deposited during their stay, and carry it with them away from the camp area to a designated rubbish dump or receptacle.
- 13) When crossing private property and crown land under lease, gates, clip-rails and property will be left as found, or as instructed by the Trip Leader. Where gates are to be opened/closed, the first vehicle behind the Trip Leader will pull over and open the gate and after the convoy passes this vehicle will close same and fall into convoy in front of Tail End Charlie. This rotation procedure will be repeated for each gate open/closure.
- 14) No member of the Association will at any time knowingly give information of any kind to any person, who is not a member of the Association, which may assist that person to gain access to areas which the Association visits on Association activities where those areas are "off the beaten track", or not general knowledge.

Committee Meeting Business:

President. Steve gave a synopsis of the Committee meeting held on Wednesday night.

General Business:

- Jim Mc Nichol moved a vote of thanks to Ian McDonald for the excellent job he is doing with the Activity Organiser's position & also to Michael for their combined efforts.
- Steve discussed the Christmas breakup to be held at Seaforth on the 27th / 28th of November. He & Michelle have done a recce & talked to the people in charge of the Bowls Club. They distributed a Menu from the 'Sea Air' Bistro which showed the prices to be expected on the night. These were quite reasonable & included a 'Kids Corner' menu for \$ 7.50 including a complimentary ice-cream.
- The campground fees were discussed and a discount for Club Members will be investigated. Steve also discussed the format of the night which will include a visit from Santa Claus. All parents are requested to provide a small present to go into Santa's Sack for distribution to the children on the night.
- It was further discussed that it would be great if all club members could make an effort to attend

the meal at the Bowls Club, as a finale to the year.

- Fay, Joyce & Helena have volunteered to purchase the chocolates, lollies & small items for the children to be distributed at the sports afternoon on the day. Any further helpers will be appreciated. An amount of \$ 100 was allocated for these purchases.
- Kelvin gave a report on the success of the Pink Ribbon Breakfast. An amount of \$ 650 was raised & donated to the association. A vote of thanks was presented to Steve Whykes for the donation of a great camping chair which was the prize for the raffle on the day. This was won by Justin Wakley.
- Further to the Pink Ribbon Day, Bruce Wolsey was the winner of the guess the number of Lollies in the Jar competition for the second year running. He did query the point through that it was hoped that when each individual lolly was counted, a pair of gloves were worn by the person filling the jar as he has seen where Kelvin's hands have been.?
- The Christmas Raffle of a donated GPS is still running & tickets will be available up to the drawing on the night. It is a great prize so jump in & buy your tickets from the ladies.
- The Pizza & Pav night will be our first Social outing again in 2011 & will be held at Terry & Fays' residence on a date to be advised.
- All members are requested to 'bring a plate', preferably with food on it, for the last Club meeting on the 13th of December.
- Martin & Vivan wished everyone a Merry Christmas, as they will be away for the Breakup dinner

Activities Coordinator:

- Ian reported on past trips: The Nav. Run on our Pink Ribbon day was won by Carol Chester, Patrick & Angie with Derek & Janette coming in a close second. It came down to the wire with the excellent copying of a drawing of some graffiti on a water tank, being the deciding factor for the winners.
- Terry gave a report on the weekend held at Lake Elphinstone for the night of Halloween. This was enjoyed by all & especially by the kids including his grandson Ryan who managed to catch & cook up some Red Claw Yabbies.

Calligan & Nicholas Ward- Grodd also had a good weekend although Nick was pestered by a pair of Magpies who had a nest in the tree above the camp and they dive bombed him all weekend as he rode his bike.

- Ian & Lorry have done a recce for the 'MOVEMBER MYSTERY CAMP' weekend & they promise a good venue will be waiting at the end of the day.

Future Trips:

Halloween at Lake Elphinstone

Halloween weekend was looming and the club members decided that the best venue for a social outing would be Lake Elphinstone. It was also mooted that with the number of 'Grey Nomads' who use the park area for an overnight stop, the kids in the club should be able to score some treats on the night. The only problem we had here would be in finding a 'responsible' adult to send out with them?

Jim & Joyce departed early on the Friday morning with Terry & Fay and their Grandson Ryan, following on just after lunch. Once the camper had been setup, we drove down to the shallow end of the lake & as we did not have a boat on this trip, we waded out through the reeds to drop in some lobby pots for the night.

Friday night was cool with quite a strong breeze blowing across the water. We had collected some firewood on the way in so a fire was soon blazing & this was the venue for some quite drinks & nibbles until tea time. Sonia arrived just on dark with the ute & camp gear while Scott drove over from the mines a little later on to help her set up. Drinks continued after supper and then we saw the arrival of Mick & Wendy plus Ian & Tracey.

Saturday dawned with the sun rising over the water to show a lovely fine day ahead. The ski boats were out in full force with the people on the knee boards, etc, having a ball. Michael Ward-Grodd was away with his work so Kel & Natalie towed his camper trailer out with Samantha & the two boys, Callagan & Nicholas along as well. This proved a bonus as Ryan then had company for the weekend. Natalie's sister Rachel also came along as a 'steadying influence' for Nat.

Mid morning Jim, Terry & Ryan checked the pots and found limited success with the Redclaw but enough to make Ryan happy with his first catch which he could show to his new mates, Kelly & Nick. On arriving back at the camp we found that Steve & Michele, Kable & Sherry, Ted and Tom, etc, had all arrived & set up their respective camps.

Unknown to Kel, he had set up their trailer & camp under a large tree which had a Magpie nest above. We were amazed with the antics from these birds as they continually dive bombed young Nicholas all weekend while other kids & people could walk by untouched! It may have been his red hat or the red bike but he soon got used to it and played on regardless.

Saturday afternoon saw the usual game of cricket organised with all joining in. At one stage, Rachel approached the bowling crease with the threat to Kel that she was going to 'crack the whip' and bowl him out. However somewhere in her run up she reversed these three words which saw us all laying about on the ground in fits of laughter as she tried to redeem herself. You had to be there!!

Ryan, Kelly & Nick had a ball all weekend with the cricket, playing on a rope swing in a tree out over the water, etc. We started up the fire and heated up the B-B-Q plate so the boys could cook up their redclaw. We only got a taste, but Fay had done a good job with the marinade & they were great.

As it was Halloween weekend people decorated their camp areas with the appropriate cobwebs, spiders, etc and I think that Fay & Ryan took out the best dressed camper trailer award. Saturday night followed with all dressed up in their costumes and a walk around the many caravans provided bags full of lollies for all the kids, big & small.

Back to the camp again for some serious socialising under the awning on Mick's van. We had settled in quite well when a flow of water came through under our feet. Wendy was having a shower in the van & slack Mick had not bothered to put out the drain hose. A fine was earned there!

The night became cooler & we then migrated to the fire area to discuss the trips coming up, to talk about the caravans that seem to be appearing in the club & all of the various goodies that are now available with these vans.

Sunday morning & the boats were out again at dawn. This was the norm but not a bother as it made for some diversion through the day, watching them go around with their skiers in tow. Breakfast followed & then the usual packing up commenced. Ian had been a bit sick through the night & it was good to see him back to almost his old self again. Mid Morning & most were ready to head off. Jim & Joyce decided to stay over for one more night so we left them to enjoy the lake while we left for the trip home.

This was the end of another good weekend made all the more enjoyable by the company offered by all of the members who attended. Our Grandson Ryan enjoyed himself immensely & has booked his bed again for the Christmas breakup down at Seaforth. Thanks to all who joined in.

Terry, Fay & Ryan.

The excellent Halloween effort from all who participated!

Ed note – Michael & Sam Ward-Grodd would like to thank Nat & Kel Naylor for their help with organising the weekend

Nav Run 2010

by Steve & Michelle Johnson

Pink Ribbon Day was a huge success as usual and to add it was a beautiful sunny day. The Nav Run started after the breakfast and all contestants lead off at five minutes intervals. Turning left up to Sharps Engineering and heading out to the back of the Cemetery we had our first bit of controversy as people believed the amount of witches hats that had to be counted did not agree with Michelle and my numbers. As Michelle and I knew there would be disputed answers, there was a disclaimer printed at the end of the entry. "All disputed answers will be ignored. Judges Decision is Final".

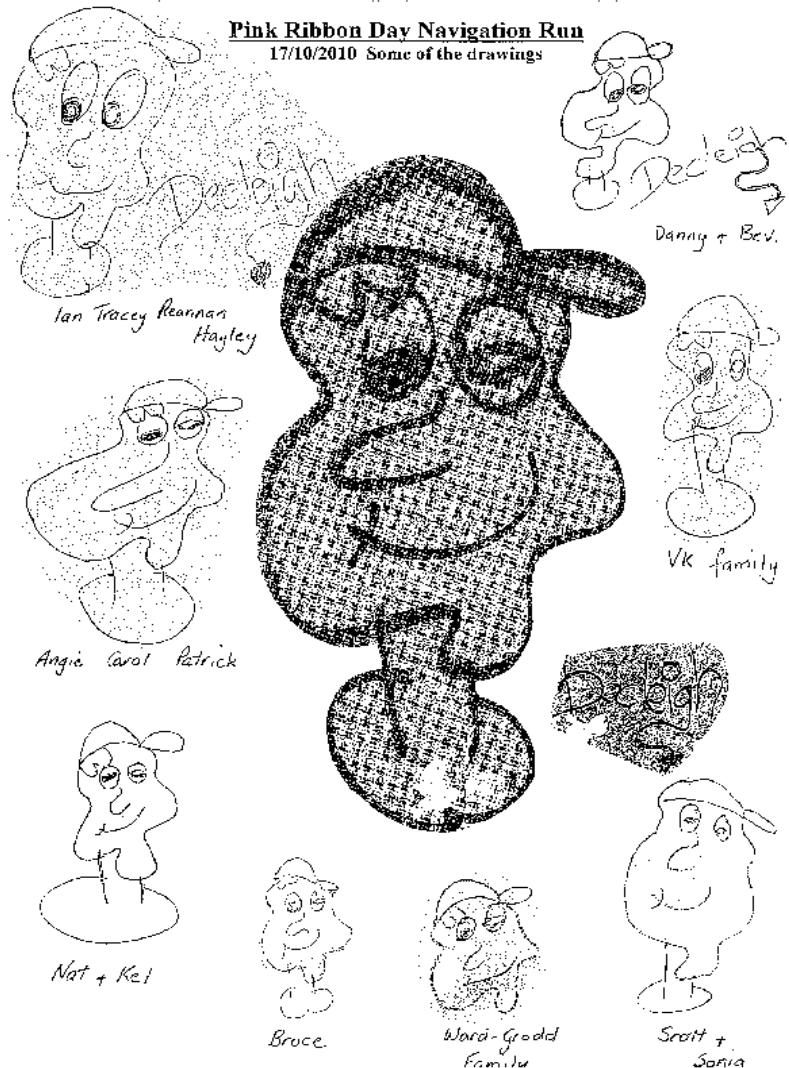

Turning back down through tracks below the Weather Bureau you had to use 4WD for this part of the course. Contestants had to count how many pink ribbons were on the trees along the dirt track. Driving up the hill to the Water Tower contestants then had to draw a replica of the graffiti that was already on the Water Tank. Results of these drawings as well as kilometres done were to be judged in case of any ties. (As per the accompanied pictures) Some of our contestants have talent for drawing!

Moving off down the hill and in through the City you had to decipher clues along the way to Paget. Moving onto Bakers Creek, participants were having a spot of trouble working out some of the cryptic clues that lead them onto the Highway. Turning off the Highway at Hay Point turnoff and right towards Sarina Beach, some contestants missed turnoffs and had to do a bit of backtracking. Whilst passing the Prawn Farm, contestants had to draw the images on a flag. But on the day, it appeared the owner of the flag had taken the flag down. Confusion reigned at this point as this threw out the Status Quo! Michelle

and my ears were definitely burning as we were following up the rear as Tail-end and didn't know at that time the flag was no longer flying.

Proceeding out to Coral Point and counting the amount of coal ships painted on the gazebo at the Lookout was the last clue. We concluded at Sarina Beach Park for "Smuch" (smoko/lunch) or "Loko" (lunch/smoko) and to tally up the marks. Happy to report all contestants were "Present and Accounted For". Michelle and I counted up the results which ended up as a tie so we had to use the kilometres to decide the winner. As a result Carol, Patrick & Angie were 1st Place and The Van Kerckhof's (Derek, Jeanette, Mark & Emma) were 2nd.
